Benefits and Obligations of GFLI Membership

As a member of GFLI, your organization is invited to nominate candidates for [Technical Management Committee \(TMC\)](#) and [Board of Directors](#) positions, as well as vote for Board candidates during the Annual Membership Meeting. You will also receive a discount on data-use contract fees (i.e. to access disaggregated data).

By signing this application form you agree that your membership will be automatically renewed on an annual basis unless you cancel per the terms in the GFLI Bylaws. You also agree that if your application is accepted, you and all representatives of your organization who are involved with GFLI will abide by GFLI's Bylaws, GFLI's Confidentiality Policy, and the GFLI End User License Agreement.

All information provided on this form will be used by GFLI for membership subscription and for internal purposes such as invitations to GFLI meetings.

All company-specific information will be kept confidential and will be deleted one year after a membership has ended.

I certify that the information provided on the reverse side is accurate and complete. I certify that the turnover information (total revenues) provided is accurate and complete and that I have the mandate to apply for membership. Due to the importance of the annual contribution I grant GFLI the right to perform research on the information provided (turnover) if there are reasons to do so.

I understand that my membership will be activated after my payment has been received by GFLI.

As a member of GFLI, I allow the Institute to use my organization name and logo on the website and in communications materials.
